Course Description	This course is the final part of the three-step career education in iCLA and aiming to prepare practically for the job hunting in Japan. Therefore students are required to have enough Japanese language skill desirably N1 level to follow the class. The main contents of this course is to focus on how effectively obtain informal job offer (Naitei) from the Japanese companies or any other types of social organization in Japan before they graduate from iCLA. It contains programs such as counseling, lecture, group discussion, and presentation. To identify a company suited for you after analyzing several listed companies financially, drafting entry sheets and practicing job interview will follow. All these works together will enable you to express yourself adequately with confidence when you will have a job interview.
Class plan based on course evaluation from previous academic year	To encourage and energize students' discussion after the lecture in the class.
